“ I'm so sorry for your loss. I have good memories of Helen. The latest one was about two months ago. I invited helen and another friend over for dinner. We sat on my deck, ate, talked, and laughed for hours. We had such a good time. I will cherish that night forever. I will miss her so much

“ *I was saddened to hear of Helen's passing. We had great times together playing bunco and just hanging out together. She loved her family, so I know they will miss her tremendously. She always brought a smile and was a delight to be around. She truly enjoyed life. Rest in peace, Pooh. You will be missed by those of us who shared your life.*

“Helen was my grandma Belinda’s best friend. But she was not only that. She quickly became a bonus grandma to me and my cousins, and then Pooh or “Heden” to my daughter, Mindy. We weren’t family by blood, but that never made any difference. I’ll never forget Helen and how she always made us laugh and feel oh so loved. My family and I are blessed to have known her. She always made deviled eggs to send home to me when her and Mamo were out playing cards, bunco, etc. just because she knew how much I love her deviled eggs. That’s just the kind of person she was. She loved her family, God and them Dawgs. Rest in Peace Helen. We love you and will miss you soo very much. I’m so glad we got to spend Friday at the auction with you, but I wish I would’ve hugged you a little longer. We love you always. Love Katie and Mindy
