“ I remember Aunt Helen with a smile and wry sense of humor. She could make us smile when we were feeling down. Aunt Helen was always talking about her daughter and son with pride and her grandchildren brought her much joy. Aunt Helen was warm and welcoming and she will be very missed and always remembered.  
Hugging you from afar,  
Love,

“ *My childhood best friend, next door neighbor, & maid of honor lost her mother today. I loved Mrs. Wheelus as my "other" mom. She treated me as her own. I think I stayed at her house as much as my own. She was loving, kind, patient, smart, creative and beautiful. I thought she was exotic since she was full blooded Japanese & not from GA. She moved to our tiny town of Dacula in 1965, and introduced me to a little Japanese culture. She was my first "foreign" person I'd ever met. She always made sure Tammy & I had lots of books, crafts, and things to entertain ourselves. She could make anything. I remember one year, she made me a beautiful flower from paper money that she folded for my birthday. I kept it a very long time before I ever spent it. I ate "fried" seaweed once when I was in elementary school and learned to count to 10 in Japanese. I don't have a childhood memory without the Wheelus family in it...from camping, PCB trips, and just being neighbors for over 45 years. You will be missed but your legacy will live on forever in our memories. Sending prayers.*
