“ I live behind Henry's house and take care of his next door neighbor Louie who is 103. I have over the last 18 years had so many memories of Henry. About 15 years ago he knocked on my door, looked at me and said "so its you that keeps that lamp on all night in the window . Lol i told him yes I am afraid to sleep in the dark. They used to stand outside arguing over silly things.. My favorite memories were long talks. He could talk and talk. May he be with the angels peacefully free of pain in the arms of our lord
