“ I've know you almost 20 years. You became a brother to me. I'm gonna miss talking to you. We used to talk several times a week, sometimes with my fiancée' Nicole and watching sports games while on the phone. You will be greatly missed by me and Nicole and everyone who has been blessed to come into contact with your spirit. Your light will always shine brightly, even on the most cloudy day. Again, we love you and will miss you so much. Forever your brother...Kevin Smith aka "Boston" and Nicole Darmand-Smith
