“ My dad was the most wonderful man on the face of this earth! He was a great husband, wonderful father but he was also a wonderful best friend! My dad loved everyone. I can remember as a child if i needed something he would do it! As an adult I could not come to visit him without getting back in my car to find maybe a 1.00 or mabe 10.00 and if you would ask him about it he didnt know what you were talking about! (And more than likely it was his last!) Me and my sisters could tell our dad anything and he would never judge us or tell a sole anything that you said he would just listen and then give you the biggest bear hug ever!My dad was the best Papaw ever Morgan Brittany, Alexis Sydney Mckenley and Lily were so very loved and cherished by him and oh how they worshiped him! My mom loved him so much and he her! Later in my adult life I can only hope and pray that I will have the love that they did! If you knew my dad well or even maybe not so well you would know he was a man of very few words but when he did have something to say you listend! I will miss my dad immensely as will Tanya and Brandi and my Mom! Dad we love you and will always think of you daily and I hope that you can now finaly rest in peace!!!!###imported-begin##Ashli Viar###imported-end##

“ Alan and I worked together at Comverge, and we had a common banter back and forth. When I first moved to Georgia and Alan was running the Manufacturing floor, I would always come out to see him leaning on the wall. I would always congratulate him for holding up the wall and he would laugh.

*I admit thinking of his passing that I did not know him that well, but he was always friendly and never said a cross word.*

*We will miss you Alan.*
