I did not meet Herman and his wife until about four years ago at the Loganville High School reunions. He took the Class pictures. Later on he set people information on the deaths of classmates and county people. He was a very nice and giving man. I am sure he will be missed very much. I went to school with Agie (same year) and Omie Lee, a year older. I know you will have a lot of good memories. May God bless you family.

Herman and I met as new employees. for the General Dynamics Services Company in Fort Worth TX. I took a shine to Herman righty off the bat-he is so easy to like. Soon after we met, I bought a used Cadillac, and he immediately dubbed me with the Nickname "Hollywood Jim". I loved it.

Herman was an expert in the field of maintaining the F-16 a complex jet fighter and as such he ended up managing the software for several computerized maintenance programs purchased by allies under the Foreign Military Sales program run out of the Pentagon. Knowing Herman, he would not talk about his high level of responsibility and expertise to friends and neighbors, he is just that kind of guy. We will miss you Herman and the super emails you employed to stay in touch over the years.

“ Herman was the most caring, loving person that I have ever known, he was always only a phone call away and he would help you do anything you needed and would only take a thank you for all he did for you. He will be truly missed by so many people, especially my Brother Weldon Hewatt and myself Mary Ann. Thoughts and prayers for the entire family!!

Herman was a very special friend. The last message I had from him was on 1/19 explaining where his journey was taking him. We were classmates at Loganville until he joined the Navy. He was so kind and very smart. He always expressed his faith and it's a comfort to know that he is with the Lord he worshipped. He will truly be missed. Praying for his family in this difficult time.
