“ *Hilda, you have always been my role model. You had the sweetest smile and so loving. Just like Granny Tanner in your love for life and so extremely talented. You wrote music, sang, invented things, Wrote poems, painted and loved to live. I will miss you my sweet cousin until I see you again. Rest in peace Hilda you deserve the rest. I love you,*

“ My beautiful grandma... she was the sweetest angel to ever walk the earth, strongest warrior i knew, and definitely 1 of a kind. Her smile had the ability to light up any room she walked into and she touched the lives of many people including mine. Her and i rescued my very first fur baby, cocoa, my cat when i was a little girl...❤️ I love you with all my heart, I know you are always with momma and i... even if we cant see you, your love can always be felt within our hearts for eternity. Until we meet again sweet angel, never goodbye.

“ *Hilda was my Aunt by marriage. She was married to my Father’s brother. We loved both of them and always enjoyed time spent together. Gone but not forgot.*

“ *My dear sweet George you were a mama bear and I will always be grateful for you and your unconditional love you showed for me. You had that same love for everyone one especially your kids on your bus. You taught me so much about love and life, always with a gentle voice and your sweet smile. You rest now, I love you and will see you again one day.*
