“ *Dear Family,*
I will always remember Hildred as on of the sweetest, loving and funniest sisters I have ever known. She was so full of compassion for others, and her love was for ever. I am gld I got to sing with her at church and the singings at the Great Oaks, it always did my heart good.
I know you will miss her in a different way than I will, but we will all be together again and then never part.
With my love and prayers to you.
