“ *I just now found out Homer had passed away. I worked with Homer at Kraft Foods in Decatur back in the 80's. He was a good guy. I never heard him say anything bad about anyone. I saw him once after the plant shut down when he came over to cut a tree down for me. You will be missed Homer!*

“ I first met Mr. Adams when we needed some trees cut down for Channings Lake HOA - right across the street. He impressed me with his friendliness and honesty from the very beginning. That was almost 20 years ago. I always admired him as a hard-working, honest man, and as a man with such a good soul. The last time I talked with him was when Suzaane and I visited briefly while his wife as very ill. All he talked about was Louise and his family.

*He was a fine man. We will miss him. Our prayers are with his family. In your time of sorrow, remember all the good times you had with him and know that he is home now.*

“ When I was a teenager a friend and I saw him in the mall. I was so excited to see him. He stood there and talked to me for a while. That always meant so much to me. Love you Uncle Sam. I know you are smiling now that you and Aunt Louise are together again and pain free. Say hi to my Josh and I will see you again one day.
