He would take out the trash so Cliff would not have to come over here on his day off. He was so kind. I really liked him from the first day I met him. He let me sit beside him while he played bingo. He was a gentleman in every way. He will be missed from Sweetwater Terrace and from the world!!!!

“ Howard was a good and decent man...a great father-in-law. I owe my love of the game of golf to him, as he introduced me to the game. His best advice on how to play golf was, "the day you throw a golf club is the last day you'll play with me. Remember, we're not professionals, and it's just a game." As a result, we had many memorable and enjoyable golf outings together, and with his brothers Don and Fred, and nephew Herb. I will miss him very much, but I'm also comforted by knowing he is with God.....Mike Meiring.
