“ I was so sorry to hear about Howard's passing. I met him nearly 40 years ago when I was a young employee at the Department of Labor working in the Office of Enforcement in DC. Howard was always extremely kind to me and helped me learn my job.

I also was privileged to go on many Las Vegas and a few Spring Training trips that Howard and Greg Egan primarily organized even after I left DOL. I looked forward to our trips, enjoyed our talks and will sorely miss them.

Howard was one of the good ones. Always kind, funny, interesting and enjoyable to be around. He will be missed by me and many, many others.

“ Mr. Marsh was far more than a Labor Department colleague to my father Alan Lebowitz--he was a Friend with a capital "F." They shared so many joyful times together outside of work, involving Auburn football, baseball spring training trips, and retirement celebrations. May his memory be a blessing to all who knew him.
