“ *Avis; What an untimely thing to happen to your family. I am so sorry, I have been there and know of your loss. I remember just last year losing my mother, aswell as my husband two years ago. I love you and you are in my prayers. Hugs to you and heartfelt sadness to lose Howard. God is good though and you will find peace in knowing Him.##imported-begin##Clara H Wilson##imported-end##*

“ Avis, I am so sorry for your loss and my not being able to attend Howard's ceremony. I have always been proud to call both of you my friends. I will never forget his soft spoken ways that was always accompanied with a smile. It seems like only yesterday that he would explain to me how he filled our gas tank and how dangerous gas can be. I will take care of him at Luxomni when I take care of my dad. I will keep you in my prayers always.##imported-begin##Drew Bridges##imported-end##

“ I have been knowing this man since 1968 & can't remember one time ever seeing him mad or saying anything wrong about anybody. It was a pleasure being his friend & next-door neighbor for 20 years & when we moved away it was a very sad day. I will never forget his kindness & will miss not seeing him when we come to Lawrenceville.##imported-begin##June Rheney##imported-end##
