“ So Sorry to hear about Allen !!.... I have some wonderful memories of Allen when we all grew up together...he had some really special and loved parents...and they loved him very much.....I wish I could have been at the funeral, but did not know about it...
We had not heard from him in several years....I didn't know he had such a large family....that is great.....###imported-begin###Sue Freeman Byrd (cousin)###imported-end###
