“ *I just wanted you to know how very proud I am of you and Steve.
God gave you the strength and you just made it through an
enormous ordeal. You are the woman your mother and dad raised
you to be. I know Ms. Pat is very thankful and very proud of all you
have done and continue to do. I know that there is so much more
left to do...but it will be easy compared to Monday.*

*I love you, Steve and Ms. Pat. You two have been the greatest
friends and family a person could have. I have a great memories
thinking of your Dad and all the guys. You know when all the guys
got together whether we were camping, just hanging out, riding
around or anywhere where we were in tightly confined spaces....I
never knew the importance of the eruptions that would run everyone
out of the room until I had boys of my own. Big Daddy seemed to be
part of that and now when I hear one of the boys or Tori say
"oooohhh, what is that smell!" I just smile, let the windows down, tell
Tori its ok, and know my kids are normal. :) HEEheeHEEE!! See ya!
We all turned out ok! Right?##imported-begin##Ann##imported-
