“ *I haven't seen Dorsey in a long time but I remember when he and Louise were dating in High School and while Louise and I rode to Atlanta to work for about 2 years together. He was always such a devoted husband, father, and grandfather to his children. Your marriage was surely made in heaven and I know you and all of your family will see him again. God Bless you all and I am praying with all of my heart. I wish I could have seen you and Dorsey more in our past. I love you so much. Praying God will give you all comfort and strength through this sad time.*

“ I have many memories growing up going over to Uncle Dorsey and Aunt Louise' house. I would play with Moe and Tater and he would come out back and pick at us by the creek or play along with whatever we were doing. He was always kind hearted and would give anyone the shirt off of his back. Many people could learn from him as a devoted grandfather, father and husband. His family was the light of his life. He will be greatly missed.

Love you,
Emma.
