So sorry to hear of Hugh's death. He was willing to help a person whenever he could. I remember him giving our family food from his garden. He was a good Christian man. I considered him a friend & was a pillar in our community. God bless & comfort his family at this time.

“ From many, many years ago, Mr. Hill was always there for us kids that rode horses. He always was there to help and was such a pleasant man. Years have passed, but somehow you always remember the good times with those that pass. You have some good memories to place in your heart. May God wrap his arms around each of you during this time and keep those precious memories forever.
