“ We are all going to miss our Uncle Hulon!! I ALWAYS looked forward to coming over for snacks,goodies and great stories!! The other week he fell in love with the Little Debbie "donut sticks", Alice He said y'all were going to have to get him some of those, to have with coffee!! Such a sweet friend to myself and many!! I know He was so tickled & happy to see his Grace again, he had just said how much he missed her and can't believe how long it had been since she was gone! He also made a statement of wondering why the Lord just had not taken him home yet and I would always tell him Uncle Hulon when you got so many stories to still tell and for us all to learn of the past! I will miss our visits,he will be greatly missed but I'm so glad he's at rest!! Love to my buddy, friend, smart man,blessing to the MANY who got to know him!!

This is so sad, Mr. Hulon was one of the best people and a great neighbor for years. He was family,by marriage, but to me and my family-he was family. He was a very special person and will never be forgotten. Loved to sit and talk with him and only wish I had taken more time to be with him and pray he knew how much we loved him.
