“ I was blessed to know Mrs. Moxie when I was a young boy. She was my eighth grade teacher at Saint Joseph’s in Beverly New Jersey. She also lived two houses down for me in Willingboro New Jersey and would often look after me if my parents were still at work. She was an incredible person and a wonderful teacher who touched the lives of many young souls, including the godfather of all four of my children, Stephen Peeke . I wish I could’ve spoken to her one last time, but I had a hard time finding her. I hope she knows that she’s being thought of while she sits up on high in heaven. God bless you Mrs. Moxie.

“ Mrs. Moxie was my 5th grade teacher at Wolmer's Preparatory School in Jamaica. She was tough but fair. She pushed me and every student she had to excel. I had her sister . The study habits I developed as a result of her teachings will never fade. Mrs. Moxie was the teacher who taught me how to speed read so I have enjoyed hundreds of books.

I thought of her just before I heard she passed away. I had remembered one time when there had been a staff meeting and of course, we did not stay quiet.

We had a look out at the top of the stairs.

When the staff meeting was over, he came running to the class and , " Mopstick coming!" Ahh Mrs. Moxie. Beautiful soul. Walk Good! -

“ *Ianthie was more than a cousin to me, she came through for me many times. Wherever she lived her door was always opened to me from I was growing up. I will always remember her laughter, she spoke her mind there was no holding back with her a spade was a spade. She was quick to give a helping hand when you need it. Back in 1999 when I had surgery she told me to come to Melbourne so we spent our time walking in the days. All my friends just loved her and my husband thinks the world of her.*

*Cuz I miss you, as much as we would have loved to keep you with us forever you are the special rose Our Father needed for His garden. You have become another reason I have to hold on to as I strive toward the upward calling of the Lord. Rest well and shine that beautiful smile of yours for all to see.*

“ It was 1985 and was trying to attend college in the US. My parents could not afford to pay for college so I needed to work. I was a stranger to lanthe when I arrived in Willingboro, NJ. I was close friends with Ann (niece) and attended Wolmers with Andre. lanthe embraced me as family and help me to get a job a Great Adventure. We rode to work to work most days and learn that she loved her family and caring for others. I am just one of the many. Later that year, Lloyd and her took me to visit Howard University. Again an inspirational opportunity that I would never have had. Howard became a invaluable experience and launching pad for me. I lanthe, her sisters, Lloyd and Uncle Perry went beyond to give me a major start on life. I will never forget the kindness shown to me.

*With all the love and respect for such a great person. May she rest in peace.*
