“ *Trish, Randy & Famil*

Of course I did not know Ruth, but from all you've told me about her, she was a strong, loving person and loved by all of you. Randy, Trish the greatest gift you gave was to have her in your home and love her, care for her, at the same time you let her have her dignity and that was a gift. You will miss her but remember she 's with our Lord now and free of all her pain, everytime you look at the girls you will be reminded of the gift of her love.##imported-begin##Pam Mondloch##imported-end##

“ *I have wonderful memories of Aunt Ruth. She was always there at the house with all of the kids. I played at her house every time I visited Grama. I'll always remember her fussing Uncle Bud (in love) - as he well deserved it. I've tried to Comb my hair while wet as she always did - but have never been successful at it! I love her very much and was glad my kids got to know her when we visited last summer. She was my only real Aunt and I wished I had spent more time with her. She applied Matthew 25:40 to her long life of constant giving...##imported-begin##Victoria Hink White##imported-end##*

“ Oh heart, if one should say to you that the soul perishes like the body, answer that the flower withers, but the seed remains.

Aunt Ruth's seeds will remain in the hearts of all she touch. A terrific, kind and loving soul is now in heaven watching over all.
