“ *Just stopping by to say hi to tell you that you are constantly thought of & greatly missed.*

I never got the opportunity to say thank you for having been a wonderful mom to my niece & nephew & also for being an amazing sister-in-law & part of my family! Only wish I could have said these things in person but I hold on to the hope that I will soon enough see you one day. May you forever rest in peace, sis. Love & remember you always.

“ *You were such a wonderful mother-in-law and grandmother to all three of my children. Although I didn't agree with the kids getting donuts and drinks from Quiktrip everytime you came to our house, I knew it was your moment to be able to spoil your grandchildren. I love and miss you.##imported-begin##Kristina Ortiz##imported-end##*
