“ *Dear Ree,*

I learned from Jan of Ivan's passing and I am so very sad that the world has lost such a kind, generous, and intelligent person. The loss will be felt by many, but by you the most keenly.

My prayers are with you at this difficult, difficult time. I know that to say you are devastated is to put it mildly. I am so thankful that you have wonderful children, grandchildren, and siblings to help you through this.

Please know that just as there are many who cared about Ivan, there are many who care about you.

Love and prayers,

“ *Ree & Family:*
When we arrived on the island this past weekend we were shocked to hear about Ivan. We had so much looked forward to again playing cards with Ree and him during our stay. We really enjoyed spending time with Ivan on our past trips and being blessed with knowing him the past two years. Ree, our thoughts and prayers are with you at this time. Love, Jan and Bill##imported-begin##Jan and Bill Graf##imported-end##
