“ *He stood like a tall tree whose branched bore lots of fruit that helped lots of people to be spiritually fed regardless of their status in Christ Jesus. We lost one of the good ones. May the Most High God and our Savior Christ Jesus keep and bless those who remain.*

“ *Harold (PawPaw), A Man who took in his son Richard Moon and raised his children, Cindy, Richard, and Robbie Moon. He taught us respect, and honor. And gave us a life unknown to a lot of people. Always food on the table, and a bed to sleep in. Took us out to eat a lot, and spent the weekends at lake Lanier. He never raised his voice to anyone. Loved all his family, and was close to all who knew him. He taught me how to be a man, but, at the same time, to be patient with others. He lived a kind of life some could only dream of, married most of his life to (Granny) Bernice Moon, Served in WW11, Purple Heart recipient. I love history from his life adventures, and it has been my Honor to be a part of that journey, and an Honor to have your name as my own. I Love you PawPaw, and will miss you dearly. I know you have gone home, your with Mama and the rest of the family who has passed before. I will see you when we all go home in time.*

“ *Bernice & Family,*  
*It is so sad to hear of Harold's passing. He was such an honorable man and you such a wonderful lady. It was reflected in your everyday life to all that knew you all. I will always have fond memories of the times that Kathy, Reba an I shared with you all when we visited you and Harold just after Kathy and I married at your lake home. Harold will be missed by all who knew him. Our thoughts and prayers are with you through these difficult times and may God comfort and hold you close.*
