“ Sorry that we couldn't be there to be with the family at this time. Our prayers and thoughts are with you all and we love you always. Pippy was my stability and I hope to bestow that on my family as I step forward in our familial circle and shed my status as grand-daughter and claim my stand as provider and teacher. I send love and healing light to family and friends from my self, Davey, Peyton and Jimbo.##imported-begin##Crystal Nash and Family##imported-end##

“ I am so sorry about AJ. He was a second dad to me. I know that you have peace knowing that he is with your mother after so many years. Can you just imagine the reunion in Heaven when Mama and Daddy and the two of them are together again. Boy, will they have a lot of catching up to do. I will pray for you.
