“ *I had the honor of knowing Jack for almost 11 years. Jack was more than a neighbor to me. He was a dear friend and a Father figure. We have shared some wonderful conversations sitting on the back porch. I loved to hear Jack tell a story and loved to hear him laugh. I miss not seeing him out in the yard or out on his porch. My heart breaks each time I look over his way. Darlene, please know I am here for you always and will do whatever you need. Thanks Jack for the wonderful lessons and memories. I will love and miss you always.##imported-begin##Melanie Snyder##imported-end##*

“ I met Jack as rookie in 1972. He was a great man as well as the "Supply Sergeant". Jack had his Exxon service station at I-285 and Bouldercrest Rd. and I would go by and visit with him and of course get my car worked on with a police discount. Jack you will be missed.##imported-begin##John Lang##imported-end##

“ Jack you will be missed. You were the first Sergeant I had at DeKalb and the best. You were knowledgeable, very kind and understanding to a rookie police officer. I very much appreciate all you did for me. I am also very glad that I was able to tell you all these things in person the last time we talked. Thank you and God bless your family.

“ I worked with Jack for many years at the PD. We really had some great times together. I wish everybody had that kind of attitude while working. He always had a smile on his face. I consider him one of the legacys. Dekalb was the finest then, and it's barely holding on to the threads of people like Jack. My sympathy to the family. The world is less better off without him, but we know heaven just received a great one. Rest in peace brother. We will meet again. With deepest sympathy.
