“ *As a fellow team member at Delta Technology, it was a privilege to have known John. More than once he told me that he trusted me to be in the fox hole with him. Knowing how high his expectations were for himself & everyone else. I felt really proud.*

I... & my team, miss him very much.

“ To the family of John Klingensmith, please accept my deepest sympathies during this difficult time.

I didn't know John on a personal level, but I had the pleasure to work with John on the football field as a referee and we would chat during and between games between games. He was a very pleasant man to know and work with. just this season I would work the games after John and it was a pleasure to just say hello to him before I started my games. I'm sure the loss to his family was great and unexpected. I pray that God will give you peace during this difficult time. Charles Williams###imported-begin##Charles Williams###imported-end##
