“ Our Prayers are with you Jennifer and all your family during this time. Couldn't believe this sad news when I saw it on Facebook. My heart broke, knowing what a close and loving family ya'll are. I first met Kenny at his young age of 19 yrs. old, me as a realtor at that time, he called me regarding purchasing a house, I remember he was always so friendly, funny, and hard working. such a wonderful young man. Could always put a smile on your face. After selling him a house, he became my families friend and my Aunt Amy's gardener for several years until she went to be with our precious Lord Jesus at almost 101 yrs. old. She thought the world of him, as we all did. Then I had the pleasure of seeing his family grow with his beautiful, sweet wife Jennifer, then later his children. After that no matter where you saw him or when we had him to do work for us, all he ever talked about was his wonderful family. Kenny loved all of you so, so very much. And he was also so proud of each one of you. We don't know what happened to him. Just Pray he didn't suffer. Please let me know if I can ever do anything for you. God Bless each and every one of you. Love and Prayers, Delores Lee Bray and Richard Bray.

“ Its hard to believe Kenny isn't just a call or text away. He was the guy who always said holler if ya need anything, and he meant it. He proved it time after time. My family first crossed paths with Kenny when he was with Newton county Roads department. He came down the road and there was my Grandmother. Shaking her finger and hollering about her yard that she held in high esteem. Kenny handled her perfectly. A few well placed yes Mams and compliments about her yard and from then on she was putty in his hands. He would hang out and rock and talk on the porch. My Mom and Grandmother adored him. They loved and looked forward to his visits. He was "My Dude". He called me Dudette. He helped me keep our lawn equipment running. We could rig up most anything and make it work. It was like he was family, like we had known him all our lives. He showed up the day My Grandmother passed away. He made her place look like a million bucks that day. I met him outside, the first words he asked was how's Grandma? I told him, he couldn't speak, he just went to work and got himself together. When he was done he sat and rocked with Mom and I, we talked about Everything and laughed, and laughed. We needed him that day, and he was there, smiling and reminding us that this is life. Good, happy, sad, hard and sometimes unbearable. All we can do is be Thankful for who we have that loves us and cares enough to show up and do it with a smile. It is a honor to have called Kenny our friend. He taught us all how little it takes to be a good person. He spoke so proudly of his children and wife and family. He loved you all so dearly, he was in awe of all of your accomplishments. We hope that your pain and greif lessens quickly and turns to happy, loving and fun filled memories he left you with. We will miss him and love him always, as for me I will miss my friend and can't wait to see him again on the other side, until then..See ya later My Dude.

“ *My deepest condolences to Kenny's wife and children and to all of the friends and family I know will miss him desperately. Gradually, the bright light he emitted to all of us will continue to bring us peace and joy as we cherish the memories of our short time with him. I will never forget the kindness he showed me during some of my most difficult teenage years during which he became very much the big brother I never had. I will never forget his smile and his wonderful sense of humor. I know he would want us all to laugh again, someday. With all my love. Sincerely, Desiree Atchison Arnold.*

“ *Its so hard to believe Kenny isn't just a text or phone call away. He has always been a very close and special friend to my entire family. Our paths crossed when he was with Newton County Roads department. My Grandmother was very fussy about her property, Kenny however was not intimidated by a crazy old woman yelling from the side of the road.He handled her with a smile and a few well placed yes mams and compliments about her yard and she was forever after putty in his hands.My Grandmother and Mom always loved having him visit. Everyone would just hang out on the porch and talk and rock.He kept us laughing, it was like we knew each other all our lives. That's how Kenny was with everyone. Sometimes he would come out and do some sprucing up in the yard in exchange for Mom cutting his hair. I always called him "My Dude" he called me Dudette. He always helped me out with keeping all our yard equipment running.We could rig up anything and make it work. He had his serious side too. He took being a Dad and husband to heart. He was so proud of his entire family and all of their accomplishments. Family meant EVERYTHING to him. People like Kenny are so rarely are found these days, It was our privilege to call him our friend. He is missed so much already and loved. Our deepest condolences go out to his beloved family. We share your greif and hope that soon all the hurt turns into beautiful memories of a life well lived and full of love. To Kenny....Until we meet again my friend, I will miss you My Dude!*

“ *Kenny always had a friendly smile and was
willing to help everyone. He was my brother,
Kenneth Pope's best friend since childhood.
Kenny was a brother to my brother. Kenny
stayed by my brother's side and helped pull
him out of depression after he lost his wife, Debbie, too diabetes. I
live in Florida. I called him a few years back. He took the time to
locate my Grandmother's burial site for me and cleaned it up and
took care of it. He even texted me photos of the site all clean. His
kindness touched my heart. It meant so much to me. Rest In Peace
my friend. You will surely be missed by your loving family and
friends.*

“ Oh, my sweet Brother Chicken. You have been taken from us far too soon. We have spent the last week crying in despair and then one second we have a saving grace we are telling stories about your life and laughing in celebration of how passionately you lived yours that was snuffed out far too soon. We know your spirit is still with us. We still feel your presence with us as we gather, pray and grieve over you. We thank you for your life. We thank you for your marriage and partnership to my sister Jennifer, we thank you for bringing Brett, Dillon and Kaitlyn into this world and thus making it a better place. Oh, how we will miss your wild and fun loving personality. We shall miss your fedora wearing, Wrangler strutting, boot goofing and silly ways you always made everyone smile and laugh. I will miss our tractor, back hoe, and bobcat riding sessions... Your joy, your cheer and your ‘never meet a stranger’ attitude lends new light on a social network. You’re the “Kenny Network”. You will never be forgotten. Only celebrated until the end of time. We love you so very much and I know you’re looking down on all us now and you’ll always be with us. ❤️
