“ I had the pleasure of spending the last few days with Papa it was probably the best 4 days of my life I was able to take him to Walmart for the last time and a quick trip for the last time both of which he loved two nights before Papa passed Papa was real Restless he couldn't get comfortable that would have been the first night he wasn't able to sit down and read his Bible the night before he passed Papa was Restless like he was the night before and I had thought to myself Papa hadn't read his Bible Well I do I Google a passage in the Bible that would cover trusting in God and it brought up a list and normally when I do that I go down about 3 on the list and I choose that one well the first one for some reason stood out I doubted myself but I chose the first one anyway something kept pointing me toward the first one and I got Papa's Bobble me and my uncle Rodney and my mama as I proceeded to open the Bible I opened it 2 proverbs three verse five through six now this was the link on the very top the first choice that I wouldn't going to pick and something kept drawing me to that my papa had it marked already in his Bible don't think it was by coincidence that I opened his Bible and it went straight to Proverbs chapter 3 verses 5 through 6 that was God talking to me to help give my grandfather comfort and no one he could trust in the Lord to help guide his family through this and to help guide him.

It's been so incredibly hard knowing you aren't right down the road any more. Not one phone call away any more. You were someone I could always count on no matter what. You always did everything you could for me. And I'll never ever forget everything you've ever done for me. I miss you so very much. I love you Popa Jack
