“ *Jack was a great person the kind of guy anyone who knew him would be proud to call a friend. When Jack told us that he was moving to Georgia all those years ago I had him pegged for a rapid return. I was wrong he met a wonderful woman in Doreen. It was truly a match made in heaven. Even though she always did better than him in the football pool. From afar my biggest admiration for Jack was the love of his wife and his sons his pride in the way that they were becoming young men that anyone would be proud of is a credit to both Doreen and himself. I am certainly going to miss our football phone calls and just catching up from time to time. You were a good father a good husband and a good man. May you rest in peace..*

“ I have so many special memories of Jackie. He was my first love, what a lucky 15 year old I was. He was the most kind, caring and funny guy. My favorite thing was watching him play football. My heart breaks for his wife and sons.. He is at peace with our father and his family in the MOST WONDERFUL PLACE... we WILL see him again and that will be FOREVER

“ Jack was my nephew and I love him very much. I will miss our conversations on Facebook and our phone calls. He was a wonderful man, husband and father. He adored his incredible wife, Doreen, and his sons, Sam and Nick. My thoughts and prayers are with Doreen and the boys. I love all of you very much.
