“ I am so sorry for your loss. the loss of a loved oone is so heart breaking. Just think, if Adam and Eve would not have sinned. we would not be suffereing sickness and death. Is there any hope? The Bible teaches that most people who have died will be resurrected. Jesus promised that "those in the memorial tombs will...come out." (John 5:28,29) In harmony with God's original purpose, those resurrected as humans willl have the opportunity to live on a paradise earth. (Luke 23:43) How comforting. The promised future includes perfect health and everlasting life for obedient humans. The Bible says the righteous themselves will posses the earth, and they will reside forever upon it." Psalms 37:29. For further information, please contact the local Kingdom Hall of Jehovah's witnesses.##imported-begin##FH##imported-end##

“ Jack was someone who any organization dreams of having in their team. During his many years at C&S, his dedication and selfless nature was always something that many others could only hope to attain and all who knew him regarded him with great respect and admiration. During his time at C&S he knew every employee and took time to visit each building on Christmas Eve to wish everyone happiness during the season.
Please accept my sincere and heartfelt condolences at this most difficult of times. Jack was a remarkable man and I have precious memories of him. He had a big heart and was very generous. I knew him to be kind, honest and a man of great honor and strength. His passing saddens me and my thoughts and prayers are with you and your family at this time.
