“ My prayers and heartfelt sympathy go out to the Dennis Family and Stephanie Fillyaw.

Jackie your joyful “Good Morning” and “Good Night” always rang as a southern bell.

I'll miss you for always arriving as the first manager to arrive to work early!

Always making sure you shared your team to assist other teams in their times of need!

I never thought your magical hair flower, your smile along with your wave would also mean your very last goodbye.

Today brings the end of our work shift and our time as a group with you is now over.

So long Jackie, I submit you a farewell.

No matter how hard it may be, I will remember the good memories you brought to Honeywell, with your team, your staff and as I should say your work family.

“Good Morning, Good Night, Farewell Jackie”.

(P.S. Thank you for sharing your "Honey Bun Cake" recipe 😊)

“ *Philippians 4:7*

“And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.”

My heart goes out to Jackie's beautiful children, family, friends, and colleagues. She was and still is an awesome light that will forever shine in our hearts. The Friday before Jackie transitioned she stopped by my desk and encouraged me to return to school!! I heard her loud and clear. Jackie was always willing to help, share her knowledge, encourage, or just simply give a much needed warm smile. She will truly be missed but NEVER forgotten.

“ *I felt such sorrow and shock to hear that Jackie had passed away! My prayers and condolences to her family and friends. I had the honor to work with her and she was my supervisor while I was at Honeywell and let me tell you truly she was the best supervisor I ever had! She always helped me every step of the way and made me feel encouraged, appreciated and special. I can just imagine her now in heaven with a beautiful white flower in her hair now because I know she was a special angel from God sent here among us for a short time to make a difference in our lives and help us! I will always remember her with the deepest appreciation and honor. Dulce Maria Medina*

“ Oh what a sad day to lose such a bright and budding flower that was Jackie Dennis! I will forever miss the flower she wore in her hair, the bright and warm smile that she had on her face for everyone to see! Heaven has truly gained an angel! Here is a memory from Flashback 2014!

“ Jackie's helpfulness and high spirits reached not only the people who knew her in person but also people who worked with her from a distance. I as a colleague of hers in Mexico, got her high spirited support many times.

The last time I spoke to her was last Thursday when she volunteered to help train me on a process I didn't know, she was in high spirits and extremely nice, as always.

The last words I read from her were on Saturday when she answered to some of my questions. She worked on the report to show me examples (most people wouldn't go so far) and stated that if I needed further help she would be glad to work with me on it.

It is sad and heartbreaking to me to know her email will remain unanswered. I won't be able to reply with "Thanks!! You're awesome!" and get her help anymore :(

I hope she and all her loved ones realize just how far her gestures, kindness and help got. Even though I never got the pleasure of meeting her in person, her memory will live on with me and her personality and happy soul, as when I was working with her from another country, will transcend the barriers of distance and physical presence.

Rest in Peace, Jackie, and may your next journey be an exciting one!

“ She will forever be missed. A footprint in the sand that can not be erased forever in our hearts and in our midst. The lesson she taught us in her transition is.....not taking the people we love for granted. Guess what ...We GET it. So Fly like the Eagle and continue to Soar and to check on me (LOL). You are missed but surely not forgotten. Our Shining STAR and our GUIDING LIGHT. Peace and Blessings. Love you always!!!!

They searched for miles afar,
And deep within the distance
They could see a shining star.*

“ With deepest Sympathy, My heart is broken, I happen to be off work yesterday so when I got the call I was devastated ,I texted Jackie yesterday morning to let her know I wasn't coming in today , but I made her favorite potato salad and I will bring the next day. so when I didn't get a response, I didn't think nothing about it. Of course I was shock and still in disbelief ..Jackie was in such good spirit Friday , we laughed , and joked all day. Everybody here at Honeywell adore Jackie, she was so sweet and kind. I will really miss my JJ(my nickname for her). I know she's in heaven with her flower in her hair. Remembering her wonderful and gentle soul will forever remain in my heart. My condolence to the family, may she rest in Peace!

My Deepest Sympathy to The Family of Jackie Dennis. I will always remember Jackie for that BEAUTIFUL smile that she had. Working here at Honeywell with Jackie was a pleasure. Although I was not on her team, Jackie would somehow always come to me to go run her errands. She would come over to me with the BIGGEST smile and ask me to go get things for her or go get something that she needed . She knew that I couldn't say no to her. We always had that type of relationship. It was so ironic when her family came here to retrieve her personal items the other day, that I was the one to take the items to the car. It was as if I was taking that last stroll for her. It was the last time that I would do that errand for Jackie. She would always ask if I wanted to work for her and then she would laugh. I will truly miss Jackie and I pray that God will continue to strenghten the family. Rest on my dear friend.....Rest on.
