“ *Every so often, the Lord brings into our lives individuals that make a profound difference. Jack was one of those people for me, and I consider myself fortunate to have known him. I learned of Jack's death only yesterday, yet remained up all night just remembering him. I'm sure there are others who have done the same.*

Jesus will have many tasks waiting for Jack when he arrives; especially those that require a very competent, organized individual. I look forward to seeing him again when I arrive.##imported-begin##Neal Bowser##imported-end##

“ I knew Jack for a short time when I worked for ISMG. He was a good man and did his job well. He helped me transfer to another account in Gwinnett County. I will never for get him. If I had a question I knew he could help point me in the right place. I am very sad to read about his passing. I knew he was having health problems but not like this. I no longer work for ISMG but I will always rememeber him. To Jack's family I know this comes at a not so good time with the hoilday's and all. But hang in there and god will help you along the way to heal. He was a good man and cared about people. Please take care and may Jack rest in peace that he no longer has to struggle with this anymore. For he is now healed and resting with the lord.##imported-begin##Andy Riley##imported-end##
