“ *Margaret and Family,  
Maryann and I were so sorry to hear about Jack's passing. I enjoyed my time with him around your kitchen table. He always had kind and honest words to say during the very short time that I knew him. May God bless you and keep you and make His face to shine upon you and bring you peace during this time.*

“ In 1948 Jack joined my father Ray Rice when he first started Atlanta Artificial Limb Co. Jack remained with Atlanta Artificial Limb Company for many years before moving to Florida. He was a great person as well as one of the best prosthetist I knew. Although I have not seen Jack in many years my memories of him have remained with me.

On behalf of the entire Rice Family, Dorothy, Ray, Jr. Brenda, Larry and myself we all want to express our sympathy and condolences to the family .##imported-begin##Grant Rice##imported-end##
