“ *Jacob was a really nice person and was always smiling and spent most of his time making other people laugh. The last time I saw Jacob was b4 I moved from G.A in 2012 I was managing a Halloween store and he decided to put a mask on and came right behind me and scard the crap out of me. This allways tickled his fancy.....lol he just always could make me laugh he will be forever missed.....peace and blessings to the family... And to Jacobs mother I know he did love u very much. The last time we spoke he was happy that his relationship with you was going good.*

“ I remember Jacob as a little boy. I started dating his uncle when we were 16. I'll never forget my wedding day, and I still have the picture, Jacob came up to me and handed me a little flower that he had picked for me. The photographer actually caught the moment. It's one of the sweetest pictures ever.
