“ My dear Aunt Jackie, who won over my stomach years ago with a box of Good and Plenty, and then quickly won over my heart. God bless those many angels that ministered to her needs these past few months; Dot, Kiko, Uncle Roger, members of the Curtis family, and those I don't know about. I am eternally grateful... our hearts are heavy with the loss of this fine lady.##imported-begin##Adrienne O'Neill##imported-end##

“ My beautiful sister Jackie I will miss you more than anyone could know. I am so glad we got to talk for months before you passed away and even had a few laughs. No matter how you felt you always asked me how my back was doing. You were generous and loving and I know we will see each other again. Rest in peace with no more pain.##imported-begin##joan knott##imported-end##

“ Aunt Jackie was a very special person with a keen wit and a great sense of humor. She was generous to all and always willing to lend an ear if you wanted to talk.  
I got to spend time with her when she lived in Florida down the street from my Mom and Dad. It was during that time that the famous "Ocoee Cooler" was born. I smile everytime I think of that. I love you Aunt Jackie and you will be missed by all. We all look forward to the day we call all be together again.##imported-begin##Julie Enos##imported-end##

“ Aunt Jackie and Nana Hoffman are now together in heaven sitting around a kitchen table sipping on red wine (from a gallon bottle) and talking about the old days. I can imagine what they are saying and the fun they are having chewing the fat. I'm sure Baba is in on the fun and any hatchets that needed buried were buried by now since Jackie is on the scene. After all an eternity is a very long time to be mad at anyone you love.

*I miss all of those great ladies and will never forget the balloons that Aunt Jackie let go on that Florida beach so long ago when Mom died. I have a great picture of her letting go of those balloons and will try to find it for anyone interested in a copy.*

*We love you Aunt Jackie and will miss your smile, sense of humor, wisdom and humanity. All of us will be together in time as we all know so save some of the jug for the rest of us.*

“ My Aunt Jackie didn't care the title "Godmother", but asked that I call her my "Fairy Godmother", or FGM,.My wife Lori reminded me of this on Tuesday and added, that now that she has her wings, she really is a "Fairy Godmother".

We love you and miss you FGM.##imported-begin##Robert J Knott##imported-end##

“ When I call Aunt Jackie when I first heard she was sick I wanted to let her know that I loved her and was thinking about her. What was to be a 15 minute chat turned into an hour then two until we both realized that we didn't want to let each other go. We ended the call finally,with an "I love you" and "we will see each other again."

I will remember my beautiful Aunt Jackie always as a liberal loving, breath of fresh air. My children remember her as the Great Aunt that brought balloons to Nana's funeral, knowing that if Margie could be anywhere, she would want to be in a hot air balloon traveling fearlessly in the breeze. It is my hope that they are both united, happy, and free. I love you Aunt Jackie I will miss knowing you are here.##imported-begin##Susan Hoffman##imported-end##
