“ You will always be in our heart all your loving, caring and dedicated support to my family. Especially for my son and your son Ricky. You will always be in his heart he will never understand until he gets older. You always say god made Ricky with his own two hands, just for you. May Lord Krishana Bless and give you a resting place. I will miss hearing that sweet voice seeing that smile each and everyday. Two years is not two days Ricky was only Six months old, I never get worried, just to know my son was with the best. You always love him like your own even if you were in pain. NEVER SAY NO TO TAKE CARE OF HIM. We will miss you, no more pains. You are with GOD.
