“ *I met Jim at our last DHS Reunion in 2015, the 55th, and we talked for some time as he was preparing to go home to Loganville. A very interesting fellow who I am sure will be sorely missed. His family was fortunate to have had him for so long. We are sorry for your loss..*

“ *I will surely miss Jim. Even though he and Joyce were never married in a church, they were together and Jim was my Uncle. I really loved him and we had some long and crazy talks about engineering stuff. I will miss that. Jim was one of the most intelligent men I have ever met. I will continue to pray for the family, love Stevie.*
