“ Mr James was like no other man I have every met on this earth. If you try to imagine what a true Christian man a picture of Mr James would be there. I have never heard him say a mean or unkind word about or to anyone. I have seen a young lady get upset over something, yell and point fingers at Mr James. All he did was stand there with that beautiful smile looking at her saying, "now honey, darling, you just can't talk to people like that." That to me is just what Mr James was like, kind, very caring, and loving man. It was a true honor to know him and a work with him. We will all miss his smile and presence.
