“ Dear Sweet Ann and Family,
Just now learning of this soooo sad news and I'm very sorry and saddened.
I've been a customer since the Yellow Page Ad back in 1995. J had an emergency. My air went out the day of my daughter's high-school graduation. Many guests were at my home and all were uncomfortable. James was here immediately and every time at future calls. Every time he spoke of you highly and thereby felt like I knew you. You two were a TEAM!!
He relied on you as a business partner and sweetheart! Not only did you help grow the business but family too. He was proud and very blessed of both. Then one day, he told me how he accepted the Call to preach. I wish i could have heard him. We talked of the Lord many times. I will forever remember him.
Now, if you'll excuse me, I need to find someone to tune-up my heating n air unit. Plus I need a new thermostat.
Prayers n blessings to you!
Love Thru Christ,

“ Dear family,
I'm so sorry to hear this news about James. During my career in HVAC, I've known James for years. Always working hard and determined to stay busy, keep up with his supply house friends and above all support his family. Loved seeing his truck riding down the road, couldn't miss it, the best looking truck in the business! He was a proud man and loved his family. He is now retired. May God bring you the Peace of the Christmas Season.
