“ *Jenny and Boys,
Our thoughts are with you at this difficult time. We hold some very fond memories of you all. We can close our eyes and picture James standing by our wood stove playing his harmonica, "Little Drummer Boy" being a favorite.
Hold your cherished memories close to your hearts.

“ *My deepest condolences to you, especially Jenny, Harold and Eli. I hold the fondest memories of my childhood spending many evenings and summer days at your home. Memories of horses (Hot shot especially), snapping turtles and gators in the pond and fishing and shooting among other things. James was a good friend of my dad and our family; really a part of our family. He will be deeply missed but never forgotten. May he rest easy now. Love you all. We are here for you if you need anything.*
