“ *We met "Jackson" from a "Fiesty Goat" perspective. He was delightful in so many ways. My hubby said when he left, wow, nice to see someone who cares and is honest even if it does not add to his business profit. Had no idea what happened until I texted today and Katie was so gracious to call me. The video was awesome. Another angel taken home too soon. He made an impact on us in a very short time. God Bless all of you. Sue and Ham Ipser*
