

James "Jimmy" Phillips Jr.

March 4, 1957 - September 30, 2024

James (Jimmy) McLauchlin Phillips, Jr., age 67, of Loganville, Georgia, entered into the presence of his Savior on September 30, 2024. He was born on March 4, 1957 in Greenville, South Carolina to James and Janetha Phillips. Jimmy was married to his loving wife, Carmen, for 44 years. One of his heart's desires was to have a family that loves and follows Jesus, and this desire was realized in the lives of his children, Chad and Bethany. Jimmy lived by this mantra, "Stickability is the prerequisite to success." He began working for SBS Associates as an architectural hardware consultant in 1990 and retired in 2022. He was a faithful member of Prince Avenue Baptist Church, where he was widely known for his welcoming smile, warm sense of humor, and pockets full of candy. An avid golfer, he was a member of Monroe Country Club, where he played golf weekly with his dear friends. Above all else, Jimmy was a man who loved Jesus and his family. The theme of his favorite music was the gospel, and he enjoyed sharing this love of music with family and friends. In his later years, he cherished his grandchildren. He did not miss a basketball game, a wrestling match, a gymnastic practice, or taste-testing a new cookie recipe. Surviving are his wife, Carmen Phillips; his son and daughter-in-law, Chad and Linda Phillips of Loganville, Georgia; his daughter and son-in-law, Bethany and Luke Mitchell of Lyman, South Carolina; his father and his wife, James and Phyllis Phillips of Taylors, South Carolina; his sister and brother-in-

law, Missy and Scott Morphis of Raleigh, North Carolina; and his five grandchildren, Elisabeth Phillips, Judson Phillips, Emily Phillips, Evelyn Phillips, and Archie Mitchell. Jimmy was preceded in death by his mother, Janetha Phillips. Funeral services will be held at 3:00 on Saturday, October 5, 2024 at Tim Stewart Funeral Home in Loganville, Georgia, conducted by Rev. David Shivar. Burial will follow at Corinth Memorial Gardens. Visitation will be held from 1:00-3:00 on Saturday at the funeral home. Online condolences may be made at www.stewartfh.com. Arrangements made by Tim Stewart Funeral Home, 670 Tom Brewer Road, Loganville, GA 30052.

“ Dear Phillips family,

Jimmy was obsessed with golf. But he also loved the Lord(more than he loved golf) and handled himself in such a Godly manner at all times. I know that he is in heaven right now playing a course that is every bit as good as Pebble Beach(Jimmy's favorite golf course).

Jimmy was also a mentor to me in the door and hardware business and was always generous with his time to help in my professional life and also in my personal life. You will be missed Jimmy!

“Jimmy was my career mentor and friend of 25+ years. He selflessly guided me from the moment I started in the construction industry until he retired & beyond. He loved to talk TV shows with me (solely because I wanted nothing to do with golf talk haha!). He was such a kind, caring man who always managed to put a positive spin on things and a smile on everyone's face. He was a rare jewel in today's crazy world. I will never forget him or all the kindness he showed me from the day we first met. I am sending prayers and sympathies to all of his family. He loved you all dearly and talked about you nonstop. Even though we will all miss him greatly, heaven has gained a very special angel.

“ My favorite memory with Jimmy, and I tell this story often even Jimmy and I laughed at it over and over lol. In high school for some reason Heritage thought we needed a football team lol made up of a bunch of skinny basketball players lol. Well Jimmy was our quarterback I was a halfback. Nearly every single play us basketball players would sort of step out of the way when the ball was hiked....we weren't risking getting hurt with basketball season just a few months away and there was no way we were ever gonna win a game lol. Well Jimmy would get up every time from under this pile of big dudes almost always in the mud and we would huddle up while Jimmy was wiping the mud and grass from the back side of his glasses just so he could see us he would yell at us I need you guys to block!!! We'd always say we'll get em this next time Jimmy lol. Jimmy was sure no quitter, he'd play his heart out every game knowing we weren't gonna block. But when the game was over we always laughed about it lol. When Jimmy graduated from high school me being 2 grades behind him I bought his really nice red basketball warm ups from him so I could match the rest of the high school team...still have em hanging in my closet! We talked a few times a year and would catch up on things. I was always jealous of his incredible golf outings he would go on. Man we sure had some good laughs over the last 46 yrs!
