“ *I met Jean & Larry at the Dairy Queen in Loganville while there with my grandchildren. He started talking with them and shared an optical illusion card to them to their delight. In talking with them it turns out they are neighbors with my nephew & his family, and good friends with my sister Carol. It's a small world, and I'm so glad our paths crossed as they were a blessing to us and our family in the time since that meeting. He truly presented the love of God to the world and those he met. May sweet memories and the peace of God be of comfort to his dear wife, Jean.*
