“ He immediately accepted me and treated me like I was his own. This man helped raise his 9 younger siblings. He took care of everyone that needed a hand. Loving, Caring, Kind, Patient, Sentimental.

He loved taking the boys hunting and shooting. He was constantly teaching them and they ate it all up. They adored him and he deserved it.

“ *We caught trophy size catfish in Texas, shot guns, hunted, ate the best meals you can eat, went on long road trips, drink whiskey (I went toe to toe with not many can) and talked about Jesus. James made his own path and is a mans man. I will miss my father in law and friend.*
