“ *The world has lost a wonderful person and friend. I got to know Jimmy when we was in the GM's office, and somehow I (and Mike Haig) always found time to "have some business", but really just to talk and enjoy his company. It is like it was just yesterday. My sincere condolences to the entire family.*

“ *Our hearts and hands reach out to the entire Ogle family. You have our heartfelt sympathy.*

Jim was not only a hard working, smart railroader, but someone that bailed me out many times with his knowledge of the railroad, something I did not have much of, so he not only became my teacher as well as a good friend. Enjoying Kurt's Bistro in Duluth, GA was always a special time during our visits enjoying the brats and beer. He will be sorely missed, but always in our hearts and memories for this hard working railroad man's railroader. And, Aggie will always miss his big smile, which was always on his face!
