ER

“💔 There hasn't been a minute that I feel like I haven't thought about my Papaw, I keep remembering a day about a week & a half before he passed he wanted me to cut his toenails. When I was done with them for the first time in my life he wanted me to cut his fingernails & it was kinda hard to do because instead of laying his hand out straight he just held my hand... 🙏
💔 I keep thinking of what I should've said or done.
