“ James Towler was one of the best friends I ever had. I knew him from the time my family came back from Boston in 1945 where my father was stationed by the Navy. I started first grade with his brother Howell (Doodlebug) in 1946. We all played baseball together and road our bicycles all the way to Grayson or on Hwy 81 to the ridge overlooking the Alcovy River.

My fondest memories revolve around the three trips to Europe that Janis, James, Tina and I took. In 2005 we went to Italy together, Rome, Florence, Venice and a few other places. In 2006 we went to Berlin, Prague, Vienna and Budapest and in 2007 we toured a lot of Spain. I really think that all of us had a really good time.

Of course I enjoyed serving with James on the Board of Directors of Bank of Loganville/The Community Bank from the time he was elected to the Board in 1990 until the Bank closed in 2008.

After that James and I used to eat lunch on Monday's at Johnny's Pizza until his medical problems brought that to an end in February of last year.

I truly loved James and I am confident he felt the same way about me. I will remember him until I die.

“ I had known James all my life. I considered him a friend. Loganville was so small it was like we were all family. Of course, I haven't seen him or Janis in years. I hope the good Lord heals your hearts.

“ My Deepest sympathy to all of James and his Family. You will be missed. This is Kenny Buckland. You were a Good Boss and a Good friend when I worked for you at the Gulf Station. I always thought you were a good person and that is what you were to me. You had a good heart. You will be missed on my behalf. Sometimes I think about the times I worked at the station they were all good thoughts. I guess you call them flashbacks with you and Jackie Barnes. No one can take away your memories. May you rest in peace. You will be dearly missed. Kenny Buckland
