“ We thank God for the privilege of knowing such a wonderful kind man. We will always remember the many hours he took to share our grandchildren's special school and sports activities with us on the computer since we live in Florida. It always made us feel like, even though we weren't there in person, we were still able to be a part of the family's activities. He truly was an example of who Jesus calls each and everyone of us to be while here on this earth and we know without a doubt he will receive a special reward from our Lord for being such a good and faithful servant. We pray for all of his family that God will fill them with His strength and peace. John and Fran Marshall

“ Jim was a Magnificent Reflection of Christ in a world that needs more like him. He has been a special inspiration and encouragement to me in the years that I have known him and worked with him in church counseling and committees. My best memory is his diligence in the many visits he and Bill McCurry made to my home to encourage my husband to attend Sunday school. Robert had great respect for Jim and once he made the decision to attend hardly ever missed and often spoke of him as a good Bible teacher. Jim was truly God's Hand Extended in so many ways. To Alicia and all the family, my heart hurts for your loss now but rejoices with you for the great legacy of memories you have in the years you've had together and the promises for eternity.

“ My mom, June White Chapin, is the only surviving sibling of Uncle James. She wanted me to share that she has wonderful memories of growing up with James. They were only 2 yrs apart so were very close. Some of her favorite memories growing up are of her and James playing cowboys and Indians with their horse. She remembers that James's dog, Fluffo, followed him everywhere. Living out in the country provoked them to use their imaginations to entertain themselves. Even after they were grown and had families of their own they enjoyed their regular phone conversations and would keep each other updated. She will miss him terribly but is comforted in knowing he is with the Lord, feeling no more pain and will see him again with a new perfectly healed body.

“ So sorry to hear about Jim's passing. He will be missed in the Wyndemere neighborhood. I always enjoyed watching him play with his grandkids on the trampoline in our backyard. What a fun Granddad he was and a fine Christian example. Prayers going out to Alicia and the family. Tammy and Tony Williamson
