“ *We have spent so many good times together my friend. I'll continue to live a lot of your philosophies in life as they are instilled in me. You were always there to lift me up thru the darkest of times. A true best friend is what you were and are. I know your in heaven now with your dad enjoying your time pain free and popping a brew. I'll miss our scallop nights and crabbing days. I'll miss running the gauntlet with ya everyday and I'll miss your morning call. I'll miss everything. It's gonna be tough cuz everywhere I go I most likely have been there with ya. I love ya bro!*
