“ I never had a better co-worker. He made me fall in love everything Razorback. He taught me about so many different things. He made me laugh. He will never be forgotten and be remembered fondly. Much respect Max... RIP my friend. Jeff Oelkers

I don't know where to start. At Morris he was my best friend from the day he showed up on campus. Back then it was Texas vs Arkansas. He would listen to Jack Buck and Mike Shannon and the Cardinals and I would listen to Dick Risenhoover and the Rangers. (On our transistor radios). Then it was the Cowboys vs the Redskins (Sonny Jurgenson and Billy Kilmer). I never thought we could lose Him. His Mom would take us fishing on lake Benton or some other cool spot. The Razorbacks should dedicate their season to Him. He was their Biggest Fan. And Greatest Ambassador. We Love You Max. You were The Greatest.j.baker.
