“ Romona my heart goes out to you and your children at this most difficult time. I fully understand what your are going through and how much you will miss Jim. I still appreciate the last time that you and Jim saw Jerry was just a few weeks back when he was in the hospital and how much that visit meant to him. All of Corinth will miss "the candy man at the door." Cherish each and every memory that you shared together over the years, those can and will be an instant recall. If there is any thing that I can do to help you please let me know....I also know that that sounds insignificant at this time but do remember I will be there for you.
Remembering Jim fondly,
